WEDDING DANCE LESSONS

Personal Professional, Dance Lessons, In Your Own Home

Learning to dance for any occasion can be daunting, so we have taken a little bit of worry away by offering dance lessons in the privacy of your own home or a venue of your choosing. In this way you can feel relaxed and more time is focused on you and your Wedding Dance without any interruptions.

Your first FREE consultation will run for approximately 30-40 minutes. This allows us time to discuss details of your Wedding Dance then start you moving around the dance floor.

What style of dance you would like?

Do you have a song in mind?

When are your available lesson times?

Would you like the Bridal Party to learn to dance also?
